I Remember You chords

```
G                         Cadd9
Woke up to the sound of pouring rain
G                                 Cadd9
The wind would whisper and I'd think of you
G                                 Cadd9
And all the tears you cried, that called my name
D                     C
And when you needed me I came through

G                         Cadd9
I paint a picture of the days gone by
G                                 Cadd9
When love went blind and you would make me see
G                         Cadd9
I'd stare a lifetime into your eyes
D                         C
So that I knew you were there for me
D                         C
Time after time you were there for me

G                     D
Remember yesterday, walking hand in hand
Em                         C    D     G
Love letters in the sand, I remember you
                            D
Through the sleepless nights and every endless day
Em                         C    D    G      C    G    C
I'd wanna hear you say, I remember you

G                         Cadd9
We spend the summer with the top rolled down
G                     Cadd9
Wished ever after would be like this
G                         Cadd9
You said I love you babe, without a sound
D                             C
I said I'd give my life for just one kiss
D                         C
I'd live for your smile and die for your kiss

G                     D
Remember yesterday, walking hand in hand
Em                         C    D     G
Love letters in the sand, I remember you
                            D
Through the sleepless nights and every endless day
Em                         C    D    G
I'd wanna hear you say, I remember you

But that's the price we paid
Am                               D
And through it all we kept the promise that we made
